

The Atmos HS

by Varsity Water Systems

GREAT WATER, NATURALLY

FAST & RELIABLE

Tackles the toughest odor issues

SAVE MONEY & ENERGY

Real, measurable savings every year

ECO-FRIENDLY

Operates without harsh chemicals

IMPROVED TASTE

Foul smells and flavors are gone

Natural oxidation, powerful *results!*

Create the freshness of filtered water throughout your entire home with **The Atmos HS**.

Hydrogen sulfide gas (HS_2) dissolved in well water gives off the telltale "rotten egg" odor. Say goodbye to embarrassing water with this all natural solution.

Meet The Atmos HS

by Varsity Water Systems

Harness the power of the atmosphere to combat dissolved gases and create the kind of water you'll love.

- **Made in the U.S.A.**
Homegrown quality and service

Refresh your water
with the *Atmos!*

Start Saving Today!

Hydrogen Sulfide in your water is not only annoying, it also leads to extra costs long term. Here's how The Atmos HS can help you save:

- **Spend less on cleaning supplies** used to fight staining and embarrassing odors
- **Appliances, fixtures, and pipes last longer** saving replacement and water damage repair costs
- **Buy less bottled water and other beverages** when your tap water smells and tastes better
- **Replace clothes less often** when cleaned with fresh filtered water
- **Pasta, rice, and soups taste better** when cooked with tap water
