Chlorine in your water affects more than just the taste. Here's how The Enforcer can improve your daily life:

- **Better tasting water** straight from the tap for better beverages, pastas, soup, and rice
- **No more "swimming pool" smell** whenever you turn on a faucet
- **Softer, healthier skin and hair** after bathing without harsh chlorine stripping away moisture
- **Protect seals and gaskets** from deteriorating under strong chemicals
- **Breathe easier** by reducing chlorine vapors that are released during hot showers and dish washing
